Dear Mr. Holmquist

## **Effort Management Scheme for the Kattegat**

I write to you on behalf of the NSRAC Executive Committee who at their meeting on 17 November supported the request from the Danish Industry to delay the introduction of an effort management scheme for the Kattegat until further consultation has taken place with regard to the latest Commission Non-Paper on Effort Management in the Kattegat.

The NSRAC Executive Committee fully endorses this request and asks that the Commission respect it.

Yours sincerely

Ann Bell
