20 September 2007

Dear Mr Priebe

I thank you for your letter of 6 September 2007 regarding the “Effort Management Scheme for the Kattegat”.

From your letter there still appears to be a number of unresolved issues relating to the Scheme and the NSRAC view on discards.

I would to suggest a meeting at your earliest convenience to continue the dialogue on the way forward to reduce discards and improve the biological assessment in the Kattegat.

I look forward to hearing from you.

Yours sincerely

Hugo Andersen
